Workshops/Courses:

Evening Workshops

Our first evening workshop of 'Photography: Angles and Viewpoints' with Elaine Cox, was a great success. We had 6 people attend with the youngest being 12, ranging from total beginners to the more experienced, who all had a go at putting what they had learnt into practice. There was lots of laughter and chatting, so I think a good evening was had by all! Thank you, Elaine.

What we have coming up.....
